An Evening with the Lincolns

Thursday, October 19, 2017, 7 PM
Glenview Library Community Room

Say “**Illinois**” and try not to think “**Abraham Lincoln.**” Impossible. The Friends of the Glenview Library will broaden this association just prior to our state’s Bicentennial of 2018 with a presentation narrated by **Dr. James M. Cornelius, the Curator of the Lincoln Collection at the Lincoln Presidential Library and Museum**—the premier repository of all things Lincoln in the world—located in Springfield. Dr. Cornelius will present insights, to name a few topics, into Lincoln’s penchant for tall tales and jokes, Mary’s emotional difficulties, and son Robert’s career in industry and diplomacy. Afterward, there will be a question-and-answer session when the curious may find out such little known things as how far Lincoln ever traveled outside the U.S.A. and what he really thought about the Irish—and the Russians. This is a special evening, uniquely for us residents of Illinois. Refreshments will be served.

Reserve Now! Advance, pre-paid reservations are required.

Questions? Call 847-998-1514, leave a voicemail, clearly leaving your name (spell) and telephone number (repeat each to ensure clarity), and add your question. Your call will be returned.
