## List of Organizations

---

- **CATCH: Community Action Together for Children's Health**

[catchiscommunity.org](http://catchiscommunity.org)  
2424 Maple Ave, Northbrook  
847-773-4661

The mission at CATCH is to empower families to foster resilience and prioritize mental health in their children through educational programming, peer support and access to resources. Through the power of connection, CATCH works to erase the stigma of mental health so that anyone who needs help can find it without shame or fear. Our programs and resources are open to families of kids of all ages.

- **The Debra Gelfand Children's Foundation**

[www.debragelfand.org](http://www.debragelfand.org)  
PO Box 747, Glenview  
847-509-0055

The Debra Gelfand Children's Foundation is a charitable organization supporting Glenview School District 34 students and families experiencing hardships by providing resources and assistance, leading them toward independence, emotional well-being, and long-term stability.

- **Evanston Vet Center, Department of Veteran Affairs**

[www.va.gov/evanston-vet-center](http://www.va.gov/evanston-vet-center)  
1901 Howard St, Evanston  
847-332-1019

Vet Centers are community-based counseling centers that provide a wide range of social and psychological services, including professional counseling to eligible Veterans, service members, including National Guard and Reserve components, and their families. Vet Center counselors and outreach staff, many of whom are Veterans themselves, are experienced and prepared to discuss the tragedies of war, loss, grief and transition after trauma.

- **Family Service Center**

[familyservicecenter.org](http://familyservicecenter.org)

191 Waukegan Rd, Suite 206, Northfield

847-251-7350

Family Service Center (FSC) is a local, not for profit, community mental-health agency that began offering services in Wilmette in 1913 to help families when aid was needed due to unfortunate circumstances and difficult transitions. By the late 1940's, the community leaders who governed FSC realized that mental health support was most often at the core of helping families thrive during challenging times. They have worked since to build an organization around a team of highly trained and experienced clinicians whose talents can be accessed by families and family members of any age when in need – while also removing financial and other barriers to receive care.

- **Glenbrook School Health Center**

[glenbrook225.org](http://glenbrook225.org)

4000 W. Lake Ave, Glenview

847-486-4706

All District 225 students and staff have access to the Glenbrook School Health Center (GSHC). The purpose of a school health center is to provide students and staff members with access to quality medical care that supports their health and keeps them in school. The Glenbrook School Health Center (GSHC) is designed to complement the services offered by the school nurse for students who may need more complex care.

- **Glenview Park District**
