

MEMORANDUM | August 6, 2026

West Entrance Repair Project – Glenview Public Library

Addendum No. 1

WJE PROJECT NO. 2018.6558.1

TO Prospective Bidders

FROM Brian Greve

CC Sam Fisher
Jean Sanders

This addendum consists of this memorandum and the revised drawings and specifications outlined below.

1. General
 - a) The bid form has been revised, see attached.
2. Drawings: The drawings have been revised where noted with revision clouds, see attached.
3. Specifications: The following specification sections have been revised, see attached.
 - a) Section 07 14 13 Hot, Fluid-Applied, Rubberized Asphalt Waterproofing
 - b) Section 07 60 00 Flashing and Sheet Metal
 - c) Section 07 95 10 Sealants
4. The following provides clarification to items discussed during the pre-bid meeting:
 - a) The existing benches, bike racks, and trash receptacles will be relocated by library staff prior to the start of construction at no cost to the contractor. The contractor will be responsible for reinstalling and bolting these items in place (with stainless steel anchor bolts) following the completion of the new concrete pavement work.
 - b) The following areas are available for contractor storage on-site during the course of the project:
 - i) Existing area outlined with yellow paint striping in driveway directly adjacent to the north side of the parking garage.
 - ii) Existing area outlined with yellow paint striping in driveway adjacent to the northwest corner of the library.
 - c) The contractor shall not use the restrooms in the building during the project and shall provide portable toilets for their use at the location designated by the Owner.
